DONATIONS HELP US THRIVE AND GROW!

The Chamberlain Bands are a large part of Chamberlain High School's school spirit and contributes to making many unforgettable moments, such as performing during football games, getting students excited at pep rallies and events, and performing at concerts that entertain students, parents and the administration.

With education budgets being tight at the majority of schools, high school band programs are usually at the top of the list when it comes to funds being affected. In addition to traditional fundraising, donations help maintain and purchase uniforms, buys and repairs instruments, assists with travel expenses to attend away football games, competitions and music performance assessments, buys music for marching shows, concert band, jazz band and orchestra music, provides meals for students during football season and endless needs of cases of bottled water and more. If you are interested in helping a very worthy cause and investing in these dedicated, hard-working students, please fill out the form below and return your check or money order to the address below.

CORPORATE DONATIONS: Corporate contributions \$100 or more will be recognized on our website. Please email your logo to jojemanring@gmail.com.
